Professor M. H. Fraser,
York Mills.

My dear Professor Fraser:

I am very sorry to know that you have been laid aside by illness, but I hope that the attack will soon pass off. I had not heard of it until you wrote to me.

With kind regards, I am,

Yours sincerely,

President.

W. E. Fraser, Esq.,
Secretary, York Club,
Toronto.

My dear Sir:

I am informed that Professor J. Stanley Mill of University College is desirous of being elected a supernumerary member of the York Club. If the Committee is in a position to add to this membership I feel confident that Professor Mill fulfills the conditions that have been laid down for the other members of that class.

Yours sincerely,

President.
